

ADDENDUM 2

Datacenter Storage

BID NUMBER:	1026
ADDENDUM NUMBER:	2
ADDENDUM ISSUED:	March 30, 2012 11:00 AM

TRADE-IN CREDIT OPTION

USD 262 is requesting an option for trade-in credit of existing Dell storage arrays.

If option for trade-in credit is approved, the credit amount listed in the table below will be deducted from bid total.

USD 262 shall keep the hardware listed above for 90 days after arrival of chosen storage solution to provide adequate time for transition to new platform. Upon completion of transition and uninstallation, it is the responsibility of the vendor to remove the traded-in units from USD 262 within 30 days or the units will be disposed at the discretion of USD 262.
