The USD262 technology team has instigated the following plan for student tech requests and Chromebook repairs during this time of continuous learning.

For student tech support needs, a form can be found on the district website under Parent/Student Links. Please fill out the form and then you will be contacted by a support person as soon as possible.

For Chromebook repairs, the Chromebook will need to be dropped off at one of the 6 meal pickup locations during normal meal times (M-W-F between 11:00-12:00). Our staff will try to repair these devices and have them, or a spare, ready for the next meal pickup day.

**Meal pickup locations**

1. VCIS-737 N. Meridian
2. Community Building Parking Lot 314 E. Clay
3. Brookfield Apartments 1240 E. Ford, Valley Center
4. West Elementary 501 N. Sheridan
5. Navajo Lake Estates-501 E. 63rd St. North-Park City
6. Corner of EastFairchild Street and North Grove Street (just north of Poston Park near new basketball courts) -Park City
